

EduGenie – Brainstorming & Idea Prioritization

Project: EduGenie – Google Gemini Powered Learning Assistant

Problem / Need Identified

Students often face difficulty understanding complex academic concepts, finding simple explanations, creating quizzes for self-assessment, summarizing study materials, and identifying suitable learning paths.

Brainstormed Ideas

Idea	Description
AI Question Answering	Ask academic questions and receive clear answers.
Simple Explanation	Explain complex concepts in simple language.
Quiz Generator	Generate quizzes for self-assessment and practice.
Text Summarization	Summarize lengthy educational passages for revision.
Learning Path Recommendation	Suggest topics or a learning path based on the chosen subject.
AI Study Assistant	Combine multiple learning features in one educational platform.

Selected Idea: EduGenie

EduGenie was selected as an AI-powered learning assistant that combines question answering, simplified explanations, quiz generation, summarization, and personalized learning recommendations in one platform.

Idea Prioritization

Idea	Usefulness	Feasibility	Priority
Q&A;	High	High	High
Explanation	High	High	High
Quiz Generation	High	High	High
Summarization	High	High	High
Learning Path	High	Medium	High
